

PROBLEMS OF TEACHING IN AN URBAN COMMUNITY

INSTRUCTOR: PANSY L. BORDERS

DAY: Monday - 15 weekly sessions from 4:00 to 5:45 p.m.
Beginning February 7, 1966

CENTER: Barringer High School

CREDITS: 3 points

DESCRIPTION: This course is offered in cooperation with the New Jersey Region, National Conference of Christians and Jews. It is designed to give practical help to teachers in motivating, guiding, and instructing children in an urban, industrial city. Special consideration will be given to problems of children in predominately lower socio-economic areas of the city. Emphasis will be made upon the particular manner in which social-environmental factors and personality factors combine in a specific instance to create a course of behavior or pattern of relationship. Current and projected educational programs will be studied and evaluated.

The structure of the course will be lectures, group discussions, films, and projects.
